

## DECLARATION OF INTENT AND VALUES

In order to guarantee that the events that it organises during the year and that take place in the city of Venice are more closely linked to the core principles of ESG (Environmental, Social and Governance) sustainability as well as of Safety and Security, Ve.La S.p.A. has implemented systems to control and verify these performances also based on the ISO UNI EN (ISO 20121: 2024) European standards for the Management System of Sustainable Events. Ve.La S.p.A. welcomes the challenge and the opportunity to raise awareness not only in the city but also among all the Stakeholders that are involved in its Events.

With this in mind Ve.La. S.p.a. undertakes to:

- Respect the fundamental principles of sustainable development;
- To manage each event with the utmost involvement towards all the participating players, with integrity and transparency;
- Raise the awareness of participants in the event on the subject of environmental, economic and social sustainability;
- Ensure compliance with current regulations on the environment, health and safety at the workplace;
- Involve the stakeholders in the same perspective of enhancing the territory with a sustainable participation during the events, guaranteeing them an effective communication of their principles;
- Promote a winning strategy with a view to reducing the production of waste;
- Better manage the natural resources;
- Promote the local economy and employment.

These principles are reflected even further by sharing the Company's corporate policy.
